

ENVIRONMENTAL POLICY STATEMENT

Premier Roadmarkings Limited is committed to reducing the impact of its activities, products and services on the environment.

To this end, the company has implemented an Environmental Management System (EMS) that conforms to the requirements of ISO 14001:2015 in order to monitor and continuously improve its environmental performance. The purpose of the system is to provide Premier RoadMarkings Limited with a framework to protect the environment and respond to changing environmental conditions in balance with socio-economic needs. The system will specify requirements to enable the company to achieve the intended outcomes it sets in its environmental management system.

Objectives:

In order to meet this commitment, Premier RoadMarkings Limited will pursue the following objectives:

- *To ensure compliance with all applicable environmental legislation and other environmental requirements which are specific to our business*
- *To minimise the creation of emissions and discharges of any type of pollutant*
- *To continually monitor and improve waste management practices*
- *To continually monitor and reduce consumption of natural resources*
- *To minimise noise and other nuisances*
- *To continuously assess its environmental performance*
- *To encourage participation of employees in environmental matters*
- *To increase the use of products with lower environmental impact where practicable*

Appropriate resources and the authority to support the system will be provided.

The Premier RoadMarkings Limited Environmental Policy Statement will be communicated to everyone working for, or on behalf of the company and will be available to the general public on request. All personnel including sub-contractors are expected to comply with the policies and procedures contained in the environmental manual and its associated policies.
