

## QUALITY POLICY

Premier Road Markings Limited specialises in the supply and installation of Road Safety Markings and Road Studs.

The purpose of this policy is to confirm our commitment to meeting the quality standards expected by our customers in the delivery of the products and/or services that we supply to them.

Our quality system is based on the requirements of ISO 9001: 2015 and in accordance with the National Highways Sector Scheme 7 for Quality Management in Highway Works – Application of Road Marking Materials and Road Studs to Road Surfaces.

Our quality objectives are to use the Quality Management System as a tool in achieving best practice outcomes across the organisation and to ensure continuous improvement.

To implement this policy we shall focus on the needs of our business with particular reference to consistently meeting our customers' requirements and statutory obligations. Our quality management system will provide mechanisms for detecting system shortfalls and for stimulating process improvements.

Premier Road Markings Limited will adopt procedures and disciplines to ensure that the system is effectively implemented by undertaking relevant skills training and conducting appropriate quality awareness training.

Responsibilities for quality are established by communicating these responsibilities clearly to all employees. That the policy and procedures continue to be appropriate by initiating regular reviews to check their effectiveness and ongoing relevance, and that the company regularly review the needs and expectations of our customers and initiate continuous improvement activities to meet these expectations.

This quality policy is available to all interested parties, as appropriate.
